Principal's Update

Sara Jacobs
Principal

Many of you will be aware that last night was our Year 9 Options Evening. We had a fantastic turnout for this event and it is indicative of the supportive nature of the parents and carers we have at Clyst Vale. We take immense pride in our diverse Key Stage 4 curriculum and as a Rights Respecting School, we strongly believe in empowering students to make informed decisions about their future studies. Your attendance last night played a pivotal role in providing the necessary support and guidance to ensure our students navigate these decisions with confidence. If you were unable to attend you can find all of the information on the College website. Please go to [Options – CVCC \(clystvale.org\)](https://www.clystvale.org/Options-CVCC).

Looking ahead if you are the parent or carer of a Key Stage 4 or Key Stage 5 student thank you for working with us to support your child whilst they undertake Non-Examination Assessments (NEA) to prepare for exams. This week we have already had students sit exams in Dance and Drama and after half term we will have core mocks for Year 11 and exams for Year 10. The 12:1 revision programme, which commences after half term, is geared towards helping Year 11 students structure their revision effectively. It's paramount that students dedicate time beyond the classroom for exam preparation. Your partnership in encouraging strong independent study at home is invaluable.

I would like to finish this week by thanking you for engaging with our request to donate second hand uniform to the local charity shops in Broadclyst and Cranbrook. Feedback from the shops is that the uniform is in high demand so please do continue to support this initiative as it benefits families within our community as well as local charities.

Harry Patch Garden... calling all gardeners.

We set up the Harry Patch garden to remember all of the young men who fought in the first world war. We incorporated plants from all over the world. My post 16 students planted 600 bulbs (daffodils, snowdrops and tulips) that were kindly donated by local garden centres.

My current year 12 and 13 students have helped me to try to keep the weeds under control but it would be great to get some help from any keen gardeners who live locally.

My plan is to work in the garden every Tuesday from 3.30 to 4.30. If you could spare an hour to help that would be wonderful.

If you have any spare time and are willing to help then please email me at paddenh@clystvale.org.

This picture shows Mr Patch (aged over 100) shaking hands with a veteran from the German army when they met in Belgium. They became friends and exchanged letters regularly.

News from Post 16

Post 16 Applications

Friday 26th Jan was the application deadline for entry to Post 16 in September 2024. Applications are now being reviewed and students will be invited to a meeting with Miss Haynes in March, to discuss their course choices.

If a student has missed the deadline, don't panic! Please contact Sue Voysey (voyseys@clystvale.org) in the first instance, who will talk you through the late application process.

House of Commons Trip

Mon 5th Feb sees a group of P16 students, and a select few Y11s, depart for a Politics trip to the House of Commons, led by Mrs Padden. Look out for details of this visit in next week's Newsletter!

Hampton Court Palace Trip

London-bound for the second time in a week, Hampton Court Palace is the destination for a P16 History trip on Thursday 8th Feb, this time led by Ms Jenkins.

Student Finance and Living on a Budget

Our final external visitor this half term is coming in to see Y13 during Tutorial on 7th February. Pete Offord of the Exeter University Outreach Team will be returning to Clyst Vale, this time with essential information about student finance and living on a budget at university.

School Transport News

Again this week we have had disruption to a CVCC coach route affected by road works. The notice we were given was far from ideal. Please if you do see road signs with a date for commencement of works on the route for your child, could you make Student Services aware? This will help us contact Transport and find out what plans have been made to take your children home and to school safely. Thank you for your continuing support. Studentsevices@clystvale.org or 01392 463910.

Breakfast Club

In the winter months, when it is still dark when we wake up, we all need something warm to eat. Every morning from 8am the Canteen provide **free** porridge for students.

National Apprenticeship Week

It's National Apprenticeship Week from 5th – 11th of February 2024. Apprenticeships are a fantastic choice for many students, either straight after GCSE or after sixth form; however, many parents don't know much about the apprenticeships and can be concerned that they're a second rate option rather than a first class opportunity.

To help you find out more about apprenticeships please follow this link to The Parents' Guide to National Apprenticeship Week 2024; a free guide where you can find out :

- the different types of apprenticeship levels
- what qualifications are on offer
- where they can lead
- what types of students they suit
- how to find one
- the application process, and
- a dedication section on degree apprenticeships

The National Apprenticeship Show—South West, is the perfect event for school and College leavers, as well as young adults, to discover more about Apprenticeships across the South West.

Taking place at Sandy Park in Exeter, this event welcomes visitors and Exhibitors from across Devon, Cornwall and Somerset.

The Dedicated Open Evening for parents and carers only is 3.30 to 6.00pm Tuesday 6 February 2024. Please follow this link to find out more [South West - The National Apprenticeship Show](#)

If you can't make the National Apprenticeship Show, the Apprenticeship Expo 2024 is taking place at Exeter College Sports Hall from 12.00 to 16.30pm, so you could pop along after school with your child/children. Follow this link to find out more <https://exe-coll.ac.uk/event/apprenticeship-expo-2/>.

Trips

Next week we have lots of trips, mainly for Years 10 and 11. There is also the Half term trip skiing. So here is a reminder of them.

Badminton Report

Tiverton High School travelled down the M5 with a minibus full of eager year 7 and 8 students for the latest friendly badminton fixture between our schools. Awaiting them was the squads led by Joe, Edward, Dexter, Kodie and Daisy, all keen and ready to play. The hall was split by age and with the top ranked singles taking to the courts first. Joe captaining the Y8 boys was somewhat shocked in his first game, but his team rallied behind him thanks to great doubles play from Freddie and Will, and a one point decider with Fin. A narrow loss overall. The court beside them had the Y7 A squad and Edward played some lovely singles moving his opponent around the area. Tristan and Archie made a formidable partnership and showed intelligence and guile in their shot selection. Max was the rank two singles player and whilst he lost his singles he made amends with a doubles win along side Archie. At the near end of the hall the Y7 B squad boys provided great entertainment in their opponents winning five of their six rubbers. The games were close and Dexter, Elliot, Jenson and Chris had to battle hard and learn quickly under the gaze of the parents viewing gallery. Three of the games ended 15-14 which shows how close it was. Tiverton arrived with only one team of girls and so the Y7 girls were made to wait whilst the Y8 girls stepped up to the challenge. Captain Daisy made light work of her Y8 opponent winning 15-9, whilst Ruthie and Sophia forged a nice pairing in their winning rubber. Sophie's game was a closer affair, but her determination won through and the following rubbers all went the same way as the girls whitewashed Tiverton. Finally the Y7 girls had their chance to impress and although captain Kodie started slowly she turned the game around for a 15-14 win. Raisa and Merryn made an appearance as a double pair narrowly losing out to the Y8 opposition before agile Kasey leapt into action storming to a win. Her depth and angles of shots making it hard for her opponent to return. Kodie and Merryn won their singles as did Kasey and Raisa as the curtain came down on another enjoyable evening of badminton. A great attitude was shown by all, despite some of the rules not getting a full airing. Lovely sporting behaviour throughout and a super fast tidy up before the men's football took over. Overall 17 games to 9, or 3 matches to 2 in Clyst Vale's favour.

Cross Country

A belated well done to Jasper, Ollie and Kate who ran last week in the Devon Cross Country in Exeter. With a mixture of ice and mud the event was a classic challenge to all the competitors. In the end whilst all ran well, only Jasper will progress to the next round finishing 6th within a strong field.

Best wishes to Jasper Forty of 10YSS in the Regional X-Country Trials.

The school would like to wish Jasper all of the very best at this weekend's X-Country South West trials. Jasper has been through two previous successful rounds for the area and then County, so is looking to perform well this weekend at the next level.

A reminder that Jasper broke a 33 year old record at Sports Day 2023 in the 1500m event, so has all the ingredients to do well. We are all behind you, Jasper!

Year 10 Boys Rugby: Clyst Vale 19-29 St James

Congratulations to the Year 10 lads which represented the College on Wednesday afternoon, in their first rugby fixture for many a year! The year group is littered with players which play the round ball game, but not many with a rugby experience, however lots of the lads showed a keen interest in having a fixture after covering the sport at the latter end of the Autumn term. St James arrived with an experienced side as many of their lads play for Exeter Saracens U15's, however our boys put on a great display of passion, intensity and teamwork to push them all of the way.

Skipper, Kieran G won the toss and opted to receive the ball from the kick off with both sides seemingly evenly matched during the opening stages. Harry B had several strong carries in the second row, accompanied by tall Callum SW who made several chop tackles which stunted the opposition defence. Archie C and Toby W kept great width on the Clyst Vale attack on their respective wings, with the former scoring an outstanding try in the second half in the far corner after an superb cut out pass from outside half, Kieran G.

Harry M at full back and Guy E linked attacks well, with Brayden B and Reuben H illustrating their physicality with some big carries in the midfield. James D worked tirelessly in the front row and Fin T did a sterling job at scrum half. Theo B finished a score over his head in the second half and made a few crunching tackles in the centre, along with Isaac C, who was a handful for St James to deal with. Skipper, Kieran G, finished well in the second half and kicked two from three conversions to narrow the gap to 5 points at one stage, however St James scored with the last play to run out deserved winners.

Well done to all of the boys which played and this bodes well for the future with further opportunities given to the lads to play a game which is imperative to installing respect, teamwork and discipline.

Jasper F was coaching in the first half due to his important regional X-Country event on the weekend, however after discussions with his father and Mr Pearce, decided to help out the lads in the second half! His impact was excellent with some strong tackles and carries.

A big mention and thanks must go to touch judges, Charlie K and Josh M who officiated outstandingly well in their first ever attempt. Their listening and unnervingly accurate calls certainly helped the referee on the evening. Thank you, lads.

Mr Pearce

Year 7 v Year 8 Netball

Thank you to the players in the Year 8 Netball club for coming to give us a practice game this week. It was really good fun and they were really considerate to the fact we haven't really played many fixtures yet. Thank you to some of our guest players who allowed us to keep the scores more even and to the older students who umpired so well!

Thank you again from the Year 7 Netball Club

Year 7 Netball dates for your diary:

Thursday 8th February v Uffculme at HOME - all squad players

I have lots of photos to share with you on the newsletter however many of the students do not have consent - could you please look at your Edulink account and allow permission if you are happy for a photograph to be published in the newsletter.

Many thanks

Mrs Elliot

Attendance, Absence and Requests for Absence

Reporting an Absence

Parents are expected to inform us of their child's absence before 9.00 a.m. on each day of absence providing the reason for absence. If the absence continues beyond the first day, please contact the College on each subsequent day of absence, too. To comply with safeguarding obligations, we cannot simply assume a student's sickness absence is ongoing; we need to be certain that the reason for absence is due to continuing illness. If you do not notify the College, then we will make contact with you to identify the reason for absence. This is important as it helps to reduce unauthorised absences and truancy. In addition, the College may ask you to provide medical proof if your child is absent from College due to illness.

Lateness

The school day (first registration session) starts at 8.50 am, all students are expected to be in their classroom at this time.

Medical Appointments

We encourage students to maximise their levels of attendance; research indicates a direct link between attendance and examination performance. The timing of many medical appointments means that often students can attend school first and return afterwards. By doing so, students minimise missed learning whilst keeping their attendance levels as high as possible. We ask that parents/carers send their child into school for morning registration, even when a medical appointment takes place in the middle of the morning. Similarly, appointments scheduled for the afternoon should, where possible, be arranged after Period 4 - during lunchtime. Students are encouraged to return to school after a lunchtime appointment if they can.

Please give the school as much notice as possible, at least two weeks' notice is useful.

If the appointment requires the pupil to leave during the day, they must be signed out by an adult listed on the student's record at the main reception.

Please follow this process if your child is going to be absent from school:

Vacancies

Invigilator

Salary £12.35 per hour including holiday pay

Job Type Casual

Location Devon

Description

Clyst Vale is a thriving and vibrant 11- 18 Community College situated five miles from Exeter. Visitors to Clyst Vale usually comment on the friendly, orderly atmosphere, the courtesy of our students, and the purposefulness in lessons. We have clear expectations and systems, but far more important are the excellent working relationships we establish between staff and students, as well as staff and parents. We remain the only Secondary school in Devon to be accredited Gold Rights Respecting School status.

Each academic year we require a team of responsible people to invigilate for a variety of exams. The main exam period is in May and June but we also run mock examinations at other times of the year. We are recruiting some additional members for our existing team of exam invigilators. The hours are flexible and varied and will suit someone who is looking to make a difference and can offer their time on a casual basis. All hours are agreed in advance each year and can fit around other commitments. You do not need previous examination experience, although an understanding of the importance and formality of the examination procedure and/or experience in managing groups of young people would be helpful. Training will be provided. If you are calm under pressure, have a pleasant nature but a keen eye then this could be the position for you.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. An enhanced DBS check is required for all successful candidates.

The financial reward is £12.35 per hour to include holiday allowance.

For more details and to apply, please visit our website <https://www.clystvale.org/vacancies/> and click on the 'apply' button.

Closing date for all applications is Tuesday 6th February 2024. Interviews will take place on Tuesday 20th February 2024. You will need to be available to attend for the whole interview day.

Job of the Week

These are provided through the MYPATH careers webpage.

DISASTER MANAGER

A Disaster Manager could also be known by lots of other names, such as an 'Emergency Planner'.

A disaster manager plans for emergency situation such as floods, fires, medical emergencies, nuclear disasters and other disasters. They also play a part in making key decisions when an emergency happens to ensure it is dealt with effectively.

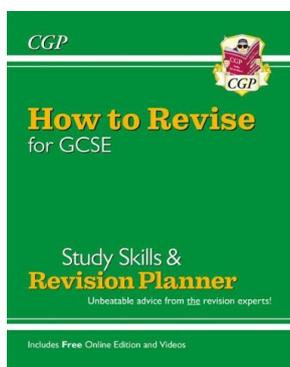

The average starting salary in this job is between £22000 and £28000 per year.

JOB OF THE WEEK 4

Supporting Learning at Home

We have been able to secure less than half price revision planners for KS4 and 5 students who would like to purchase one. Revision planners have proven beneficial for students in organising their studies in the past. These CGP planners contain key information for most subject alongside guidance on how to revise effectively and tools to help you plan and organise your time.

Planners cost only £2.50 if purchased through school (instead of £5.99 if purchased outside of school) and can be ordered through school Gateway on the website. Last date for orders is the 23rd February, and planners will be available for collection the following week.

Clyst Vale Library

Clyst Vale Library is open to the public 3.30 to 5.30pm Monday and Wednesday and 4.00 to 6.00pm Thursday.

EduLink & contact With the College

Please do not address emails, or replies to EduLink messages, to EduLink@clystvale.org. It is an unmonitored mailbox and will not go to anyone. Parents/carers need to reply to EduLink messages via the app, online, or via email, as this will then be directed to the staff member who sent the message to you. Or, please contact the teacher or admin@clystvale.org.

There is also a contact form and details below.

Stationery for Sale

Mock/GCSE pencil cases are available from the Library at a cost of £4.50 per pencil case. The clear pencil cases include one pencil, a blue pen, a red pen, one highlighter, a ruler, a compass, a protractor, a rubber and a sharpener.

Second Hand School Uniform

Thank you for supporting the community and local charity shops. The sale of preloved uniform is proving successful with one of the shops selling out! If you have any items that are no longer needed but still in very good condition, please donate them to one of the local charity shops. Both shops have set aside rails designated for college uniform.
