

## Principal's Update

**Sara Jacobs**

Principal

Dear Parents and Carers,

Thank you to all the parents and carers who attended the Post-16 consultation evening last night. This was a valuable opportunity for open dialogue regarding our decision to propose a phased closure of this provision and to address your questions. Please take the time to read the consultation document and share your views, as these will be considered before any final decision is made.

This week, we focused on curriculum enrichment, suspending normal timetabled lessons to deliver our Deep Learning Day. Year 12 and Year 7 students went on trips: Year 12 visited Plymouth University, while Year 7 explored the history of Exeter with visits to St. Nicholas Priory, the museum, Rougemont Castle, and the Cathedral. Year 8 immersed themselves in culture through various language-based activities, Year 9 explored healthy lifestyles, and Year 10 engaged in sessions on careers, work experience, and addiction education. The "5 Lives" group provided talks from individuals with firsthand experience of addiction and mental health issues. We were extremely impressed by the high levels of interest and respect our students showed for both the topic and the visitors.

Unfortunately, we have recently received reports of a small number of students behaving in an antisocial manner while traveling to and from school on public Stagecoach buses. If your child uses these buses, please support us by reinforcing the importance of appropriate behaviour at all times.

Next week, we will host our annual Year 6 Transition Days, designed to help new students familiarize themselves with the College, meet their tutor group, and get to know key staff members. I look forward to welcoming this new cohort and am confident that our current students will act as superb ambassadors, making these newcomers feel excited and welcome.

If you are a parent or carer of a Year 10 Drama student, please congratulate them on their performance in the practical component of their exam. They have worked incredibly hard and their dedication has made their teachers immensely proud.

Tonight, I look forward to seeing our Year 11 students at their annual prom. This event is always well attended by students, dedicated staff, and proud parents, who gather to watch the grand arrivals. The prom symbolizes the culmination of years of hard work and the transition into a new chapter, making it a truly special evening for all involved.

Thank you for your ongoing support. Have a lovely weekend.

## Aquatics GB Summer Championships 2024

The Aquatics GB Summer Championships are taking place this summer and hundreds of the country's top swimmers will be taking part including our very own Arsène Valllez.

Arsène has been swimming with Exeter City Swimming Club for a number of years and this year, he has qualified to swim at the GB Summer Championship in the 4x100m Free Relay & 4x200m Free Relay events. Arsène will also be competing at the Swim England National Summer Meet 2024 in the 50m Free and 100m Free events.

Good luck Arsène, we're looking forward to seeing how many medals you can add to those you were awarded in January at the Devon County Championships 2024!

## Year 7 DLD Trip to Exeter

On Wednesday we took the whole of year 7 to Exeter for the day to explore some of the sites in our city. We were focusing on Medieval and Tudor sites as the students have been studying this in History this year and also Christianity which has been covered in Beliefs and Values. There was a scavenger hunt in the Cathedral and an opportunity to visit St Nicholas Priory, which is one of the oldest buildings in Exeter. At the museum students were set challenges to find different objects through the ages. It was a very hot day but the students were brilliant and it was great to see them engaging in the activities for the day—some even volunteered to dress up in Tudor clothes at the Priory.

Well done Year 7!

# Post 16 News and Term Dates 2024-25

The Y13 Prom at Zizzi's on Friday 21st June was a fabulous occasion and it was a real pleasure to have students and teachers together to celebrate the end of an era. The food and company was fantastic!

We look forward to seeing students again on A-Level results day (Thursday 15th August) from 9am in Post 16 – and hopefully celebrating some more! In the meantime, Y13, have a fabulous summer – we already miss you in Post 16.

All Y12 students sat end-of-year exams this week, which ran from Monday to Wednesday. The report from the exam room was that all students were exemplary.

Thursday saw a change of focus, with a visit to Plymouth University to begin our new theme of Post 18 options. Student ambassadors talked to our Y12 about undergraduate student life, and the Outreach team gave an introduction to the UCAS process. Our students had the opportunity to begin drafting their personal statements. In addition, they enjoyed a tour of the Plymouth University campus, including a look at typical student accommodation and a visit to the library. They also had some free time to have a look around the campus over lunchtime.

On Tuesday next week, Year 12 parents and carers are invited to a Post 18 Information Evening, hosted by Miss Haynes. This will take place in Post 16 from 6pm-7pm – emails containing forms for an RSVP have been sent out.

We are also very excited about our Clyst Vale Election next Thursday – move over, General Election! Four Politics students are standing for school election, representing the main parties. We have Jamie for the Conservative Party, Georgie for Labour, Zach for the Liberal Democrats and Charlie for the Green Party.

Students throughout the whole school will be able to view our candidates' recorded messages outlining their election pledges. These will be shown to Tutor Groups in the days leading up to the big vote, where every student will visit Post 16 during class time to submit their ballot paper. We look forward to seeing what the result is – and whether this echoes the national decision!

## Catherine Fraser Football Tournament 6 a side

Thursday 20<sup>th</sup> June 2024

A bright sunny day down at Exwick Sports hub to welcome more than 150 budding female footballers who took to the pitch for a tournament established to honour the memory of former journalist and Exeter City Community Trust operations manager, Catherine Fraser. She was an inspirational role model and was passionate about creating opportunities for girls to engage in football. This tournament stands as a fitting tribute to her legacy.

Teams competing in the 2024 tournament were from St Peter's School, Exeter, Clyst Vale Community College, Newton Abbot College, The Maynard School, Shebbear College, Exmouth Community College, Teign School, St Lukes, West Exe and Queen Elizabeth's School, Cridton.

Back row: Aafia Pick, Lily Evans, Tiana Tonkin, Leona Whitfield and Tallulah Wren  
Front row: Ruthie Dearden-Watts and Kacey Saunders

Back row: Sophie Woods, Sophia Lilley, Kodie Humphries, Sophia Tagg and Annea Cechlain-Richards  
Front row: Daisy Hopper and River Chapman

Clystvale arrived at the tournament with 2 teams consisting of 7 players each from Years 7 and 8. Both competing at the opportunity to win the Cup or the plate trophies. Clystvale one was drawn in a group with Westexe, St Lukes 2 and Shebbear 1. Clystvale two were drawn in a group with St Peters 1, Teign 1 and QE 2. Clystvale 1 had goals galore in their group games winning 6-0, 4-1 and 6-1. Topping their group and securing a place in the ¼ finals of the Cup competition. Clystvale 2 were steady in the group and managed to secure 3 points, winning 2-1 and loosing 2-0 and 3-2. Finishing with 3 points but with a better goal difference than the others team, they finished 2<sup>nd</sup> and qualified for the ¼ finals of the Cup competition.

The quarter final draw was complete. Clystvale 1 vs Maynard 1 and Clystvale 2 vs Maynard 2. So, a battle between the two schools in both fixtures awaited. Both games kicked off at the same time which made it quite difficult as manager to keep an eye on both teams I must admit. Clystvale went 1-0 to some poor marking and the Maynard striker sneaked in at the back post. 1-0 Maynard. In the other ¼ final Clystvale 2 were knocking on the door of the Maynard goal trying to get in front. 3

minutes later a great strike from Lily Evans put the Vale 1 up. Back to the other game and the girls were still 1 down. A strike from Maynards was secured by keep Kodie who quickly sent an over arm throw towards striker Daisy, who let it bounce using her body to stop the defender from intercepting and struck a low shot passed the keeper to make it 1-1. The

final whistle in the 2's game went and Clystvale progress to the semi- finals. Clystvale 1 went down to penalties. Daisy went first scored. Annea went second, scored. Scores were level at 2-2. Sophia.T steps up and makes 3-2. Sophie.W next...scores to make it 4-3. Down to Kodie to try and save one to send the Vale through. SAVE CLYSTVALE win the shootout and progress to the semi- finals.

The semi-final draw was as follows Clystvale 2 vs St Peters 1 a repeat of the group game. Clystvale 1 vs QE 1 who they drew 0-0 in a previous tournament. Unfortunately, Clystvale 2 were outdone by a dominant St Peters team who were 4-0 victors in the end. A superb effort from the girls who should be tremendously proud of themselves for getting as far as they did in the tournament. Just the 1 goal from Annea was enough to secure victory and secure a place in the final. A tense and close game in

the final with Clystvale having most of the chance but could not quite find the back of the net, UNTIL. Kodie the goalkeeper who had some goalscoring success during the group stages decided she was going to have a crack at goal (from her own half). A powerful strike was guided towards the St Peters goal with the St Peters team watching in admiration as it glided through the air. The St Peters goalkeeper shuffled into position to catch the ball but fumbled under the pressure of the powerful shot and the ball proceeded into the goal. 1-0 Vale courtesy of Kodie the GK. The scores stayed the same and CLYSTVALE WERE THE CHAMPIONS.

Clystvale 1 team pictured with Catherine Frasers daughter and mother who presented the medals

A great team display from all the girls to win the tournament and they should feel super proud of themselves for winning the tournament. The trophy will be able to be seen in the cabinet in reception at the front of the school. Well done to all the girls who participated, keep up the hard work and training and I look forward to starting up football club again in September.

## Clyst Vale Boys Inter-House Football Euro 2024

Congratulations to all 16 teams which participated in the annual Clyst Vale Inter-House fixtures this week. Coinciding with the UEFA European Championships in Germany, Clyst Vale ran their own version with each house colour having a selection of teams, participating as a range of nations.

On midi pitches and 6-a-side games, each squad was made up of a selection of students spearheaded with a Year 10 captain. The emphasis of these competitions is about participation, respect and enjoyment with Monday and Tuesday being busy lunchtimes, with three games being played for each country across the two days. The top two teams from each group would progress to the knock out rounds. Wednesday's Deep Learning Day and Year 7s school trip meant a postponement to this day's play but a shift to run both the quarter final and semi finals being played on Thursday lunchtime.

At the time of writing, both Netherlands (Yellow) and Scotland (Green) won their respective semi finals comfortably and will meet in Friday's hugely anticipated final at lunchtime. We will update next week's newsletter with the respective winners!

It must be said that all students conducted themselves extremely well across the week and certainly adhered to the aims of the competition and were competitive, yet respectful to all. Well done to all that competed and also to the various staff which assisted with the officiating and marshalling of spectators!

Next week sees the turn of the girls competition, with exactly the same format. Watch this space!

# Attendance, Absence and Requests for Absence

## Reporting an Absence

Parents are expected to inform us of their child's absence before 9.00 a.m. on each day of absence providing the reason for absence. If the absence continues beyond the first day, please contact the College on each subsequent day of absence, too. To comply with safeguarding obligations, we cannot simply assume a student's sickness absence is ongoing; we need to be certain that the reason for absence is due to continuing illness. If you do not notify the College, then we will make contact with you to identify the reason for absence. This is important as it helps to reduce unauthorised absences and truancy. In addition, the College may ask you to provide medical proof if your child is absent from College due to illness.

## Lateness

The school day (first registration session) starts at 8.50 am, all students are expected to be in their classroom at this time.

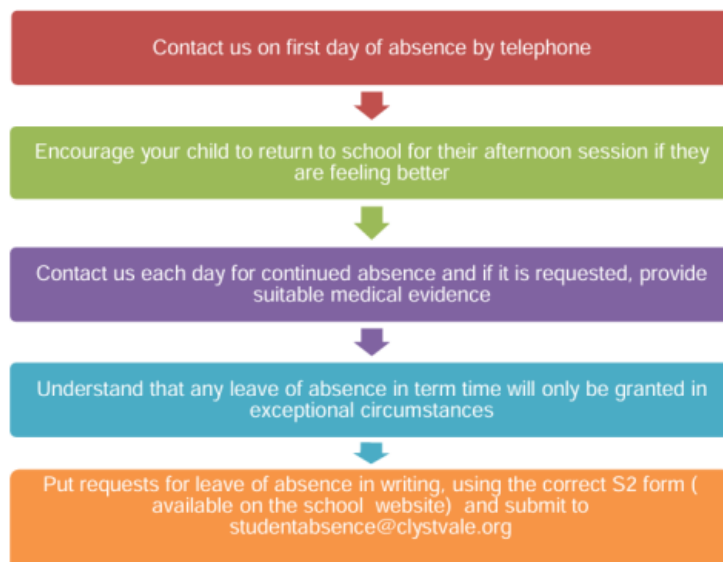

## Medical Appointments

We encourage students to maximise their levels of attendance; research indicates a direct link between attendance and examination performance. The timing of many medical appointments means that often students can attend school first and return afterwards. By doing so, students minimise missed learning whilst keeping their attendance levels as high as possible. We ask that parents/carers send their child into school for morning registration, even when a medical appointment takes place in the middle of the morning. Similarly, appointments scheduled for the afternoon should, where possible, be arranged after Period 4 - during lunchtime. Students are encouraged to return to school after a lunchtime appointment if they can.

Please give the school as much notice as possible, at least two weeks' notice is useful.

If the appointment requires the pupil to leave during the day, they must be signed out by an adult listed on the student's record at the main reception.

Please follow this process if your child is going to be absent from school:
