

We are the first generation to feel the impact of climate change and the last generation that can do anything about it.—Barak Obama

Principal's Update

Sara Jacobs

Principal

Dear Parents and Carers,

As we approach the end of the Spring Term, I want to take a moment to thank you for your continued support in reinforcing our key messages at home. Clyst Vale has so much to be proud of—our dedicated and talented staff, a welcoming and vibrant school environment, supportive families, and, most importantly, our fantastic students who make the most of every opportunity. This week, we had the pleasure of hosting our termly celebration assemblies—a wonderful occasion to recognise and reward students who not only meet but exceed our expectations. It is always inspiring to see their hard work, resilience, and achievements acknowledged, and we are incredibly proud of their efforts.

As you may know, recruiting new teachers into the profession is a growing challenge, which is why we were delighted to welcome a group of eleven trainee teachers this week for an intensive training and practice programme focused on adaptive teaching. During their time with us, they observed our skilled colleagues in action, gained valuable insights into effective teaching strategies, and delivered their own lessons to develop their confidence. Their feedback was overwhelmingly positive, particularly regarding the quality of teaching, student behaviour, and the warm, supportive atmosphere of our College. Having visited multiple schools in the area, they expressed how much they valued their experience with us—a true testament to the strength of our College culture and community.

A sincere thank you to the parents and carers who brought their children to College on Thursday evening for their late departure to Stansted Airport for the Madrid trip. This will be a fantastic experience for our students, giving them the chance to immerse themselves in a new culture, develop their sporting skills, and create lasting memories with their peers. These opportunities are invaluable in broadening students' horizons, building confidence, and fostering independence. Of course, none of this would be possible without the dedication of our incredible staff, who generously give their time and energy to make such experiences happen. Their commitment truly makes a difference, and we are so grateful for their efforts.

We also appreciate your patience and understanding as we continue implementing our new College Management Information System. More details will be shared separately, but in the meantime, please check your email inboxes (including junk/spam folders), as some messages from Bromcom may have been misdirected. Additionally, please avoid sending emails or replies to bromcom@clystvale.org, as this is an unmonitored mailbox. Instead, responses to Bromcom messages should be made via the app, online, or by emailing the relevant staff member directly. You can also contact admin@clystvale.org for general enquiries. Further contact details and our online contact form can be found here: <https://www.clystvale.org/contact-us/>.

Finally, as we end another busy and successful term, I would like to wish all our students, families, and staff a restful and enjoyable Easter break. Whether you are spending time with family, taking a well-earned pause, or heading off on adventures, I hope you have a wonderful holiday. We look forward to welcoming everyone back for the Summer Term, refreshed and ready for all that lies ahead!

Best wishes,

Year 8 Boys Rugby @ Howden Rosslyn Park National Schools 7s:

Congratulations to the Year 8 lads who took their two-year unbeaten record for the school side to the prestigious event in London on Friday, to participate in the U13 Junior Festival and ended up with a playing record of two wins and three losses, overall.

The boys met after school on Thursday for an evening drive to the capital and, after an overnight stay, were placed in Group K of the competition against 4 other schools. We made an outstanding start with two wins from two against Dunottar School (25-20) and Bournemouth Collegiate School (35-5). These performances were a huge squad effort with the hard pitches causing several issues for players with the lads working really well as a side and continuing to hone their 7-a-side skills by keeping the ball alive and finding space and feeding our fast players to go across for several scores. Key scores from Sonny Mackie, Cian Doyle, Harry Crispin, J and Charlie Norman in these games along with the power from Max Hookway and Oliver Payne gave us several opportunities to be competitive throughout. Key contributions to the games with link plays and defensive work came from Ruben Tuley, Jack David, Leo Hoare, Jackson Gallagher, Oliver Marshall, Josh Farmer, Henry Taylor and Will Watkins, really underlining the collective effort and strength of the squad.

After placing ourselves at the top of the group, we faced Emirates Falcon International School from Dubai, also unbeaten. These were a very strong side, with physicality, skill, speed and organisation being like nothing else the lads have faced before. After falling to three early scores, the lads rallied to score twice before the break to rattle the opposition, however we suffered key injuries to try scorers Joe Gibson and Charlie Norman and we suffered after the break with several scores conceded to lost 10-40.

As the day wore on, the lads really had to dig deep in terms of energy stores and the penultimate game against Eltham College was tough with a 0-30 loss with us targeting a big last performance of the day against Aylesbury Grammar School. The lads certainly did not disappoint with a improved performance and gained an excellent score from Sonny Mackie in the corner which we much deserved, however ultimately a defeat of 5-35.

The competition was a culmination of the outstanding efforts and strengths that the boys have shown since starting with us in Year 7. Their attitude and respect of one another and others around them was outstanding both on and off the field and they were impeccable representatives of the College on the national stage.

A big thanks must go to Marc Dibble (Exeter Chiefs) for accompanying Mr Pearce on the trip and to the several parents who drove up and back on the day to the event to support, including Mrs Farmer for the photography.

This was really appreciated.

Congratulations to all of the squad. Mr Pearce

Year 8 WorldWise Quiz Trip

Last Wednesday we were invited to compete in the Geographical Association's WorldWise Quiz - in which our team of year 8s (Tristan, Guy and Archie) were put head-to-head in 8 rounds of geographical quizzing against 12 other teams ranging from years 8-10!

After 8 rounds of geographic testing our team secured 2nd place, losing by a mere 4 points to a year 10 team.

Our team worked incredibly hard and for many of the rounds eased closer and closer to 1st place, to unfortunately lose their lead in the very last round.

Well done Team!

Clyst Vale Culture Week

Last week Clyst Vale took part in our first 'Culture Week'. This was an exciting opportunity for our students across the whole college to learn more about the world we live in. There were numerous events over the week starting with an exciting 'Live' assembly where the Student Board drew the names of different countries from the pot and allocated them to each tutor group.

During the week each tutor group had morning activities linked to their country from learning about the history and traditions to learning a few phrases. There was a flag making workshop on Monday for students where they could make flags for their tutor bases, and we saw some interesting flag designs.

Our wonderful Youth Cultural Champions, with the support of Ms Rogers, put together two assemblies explaining to us about their own backgrounds and cultures as well as how they celebrate Easter. On Wednesday the group put together a fantastic food tasting where they cooked and bought in a range of foods for us to try. This was a very popular event and all students who took part were very complimentary of the superb cooking skills on show.

On Friday, alongside our annual Talent Show, we held a culture themed non-uniform day where students were asked to come dressed in the colours of their tutor flag. It was great to see the explosion of colour in College and was a great way to end an enjoyable week.

Mrs Roberts, Teacher of English/ RRS Coordinator

Learn2Live

We would like to pass on a huge thank you to Chris Boston & Tony Heywood (both of Devon & Somerset Fire Service) and Ian Harvey (Devon & Cornwall Police) who visited Post 16 last Wednesday to deliver a Learn2Live session.

This is a road safety session, specifically tailored to the Post 16 age group - many of whom are newly qualified drivers, learning to drive or planning driving lessons. A lot of our students also travel as passengers in cars with young drivers.

The session highlights the possible hazards young drivers encounter, including looking at how alcohol and drugs alter awareness and should never be considered safe when driving. Strategies for encouraging good driving behaviours in the driver, even when you are a passenger, as well as exiting situations where you feel uncomfortable or unsafe as a passenger, were also discussed.

Between them, Chris, Tony and Ian have decades of experience at the sharp end of dealing with the outcomes of unsafe driving practices; they are consequently passionate about ensuring young drivers are aware of the risks. The session was interesting, engaging – and even humorous at times. These are timely and important messages and we are grateful to the Police and Fire Service for spending time with our students to put the point across in a way that was relevant, impactful and involving. We are confident that all our students will be safer drivers and more alert passengers as a result.

Post 16 events

Environmental Science students enjoyed an excellent fieldwork visit to Stover Park last Tuesday, where they spent the day investigating biodiversity and looking at the park's pollution remediation scheme in action. They were able to apply fieldwork and data collection techniques, which involved wading in streams to collect water samples.

Last Thursday's trip to see Hamlet, attend Shakespeare workshops and absorb the culture of Stratford-upon-Avon was a roaring success and our students (both Post 16 and Y11 & Y10) were outstanding ambassadors for the school. There is a full account with pictures on the next page!

Exams, exams, exams

The official exam timetable for A2 and AS summer exams has now been published, with individual timetables printed and ready for students to collect from the P16 office. This makes everything seem very real!

Year 12 also have end of year exams approaching, and they too have personalised exam schedules ready to collect.

Adam Williams, our go-to specialist for helping students overcome their exam jitters, has 2 more sessions booked in with us this academic year; these will assist with allaying pre-exam nerves, as well as general good preparation practices. He will join Y12 in Tutorial on 30th April, and Y13 for their final input of a series of these sessions on 7th May – the week before the exams machine swings into action.

We wish our students and families a pleasant Easter break, whilst appreciating this will be a balancing act between rest & recuperation, and revision & preparation. Good luck to all our exam candidates – this is the final push, you've got this!

Hamlet – Stratford upon Avon visit, Thursday 27th March 2025

As we approached Stratford-upon-Avon, the skies were clear and blue, the sun shone, and the spring blossoms were in riot all around us. As picture postcards go, this one was just about perfect! Our friendly coach drivers suggested a very brief detour from our planned route, via the cottage that once belonged to Anne Hathaway (Shakespeare's wife). We paused briefly to snap some photos and enjoy the view of the pretty medieval farmhouse with its rolling lawns.

The banks of the River Avon seemed the ideal spot for a picnic lunch, where 'The Shakespeare Man' added to the ambience by reciting sections of the Bard's works, all learned by heart.

After lunch, we made our way to the next destination, Hall's Croft, through the quaint Stratford streets. Here, GCSE students stopped off whilst A-level students continued on to Harvard House. The two groups spent the next hour and a half engaged in a Romeo and Juliet workshop or an Othello set text talk – both of which were excellent.

Shakespeare's Birthplace was our next rendez-vous point, where we toured the exhibition (several students enjoyed the costume props and quote booth) before entering the beautifully preserved house. The guides were full of surprising and interesting facts - not least that the Elizabethans slept sitting up, as they believed that lying flat invited death! (Open fires in the bedrooms meant this was probably not quite as fanciful as it sounds...)

Students next broke off into smaller groups, to explore the historic town some more and hunt down some dinner – meeting back at the theatre ready for the evening performance of Hamlet.

The production was exceptional, with Luke Thallon entirely engrossing in the lead role. Somehow, there were even some humorous moments – until everyone died at the end. Which was always inevitable.

Returning to base shortly before 2am due to an M5 closure did little to dampen everyone's spirits, with all the students thanking group leaders as they left the coach, which was much appreciated.

Although the original trip was rescheduled due to November's snow day, and it felt disappointing at the time, this might have been a blessing in disguise – ultimately, the visit could not have been better. Thank you to the English team for making such a memorable day possible. This was an outstanding trip with so much to absorb, learn and enjoy.

Hamlet – stage set for Act 1, Scene 1

Shakespeare's Birthplace

On Monday 24th March, the first **Parent, Teacher and Friends Association (PTFA)** Annual General Meeting (AGM) was held. The main committee roles of Chair, Treasurer and Secretary were voted in (listed below) and the constitution adopted. Our thanks go out to those that attended. Whilst it is important to have these formal roles in place to meet the requirements of PTFAs, equally as important is the support and attendance to these formal meetings by others.

It was agreed at the AGM that we should be called a PTFA as opposed to PTA because we wanted to include wider family and friends of the school. Clyst Vale has a strong community ethos, and we wanted to replicate this. We hope that in supporting the school, we can also bring together the community around the school, geographically in the area, but also with those with links to the school such as Grandparents etc.

There have been a number of wonderful ideas put forward already as to ways we can support the school, students and parents. These range from helping parents with the cost of uniform through to social events to bring people together. As we progress, we will be engaging with students and teachers to hear how they would like to see raised funds spent so that all students can benefit. Look out for further information!

Lastly, but perhaps most importantly, everyone has something to offer the PTFA from good organisational skills, providing ideas, great baking skills, to a smiley face when helping to run an event or refreshments stand! We have already proved that there are a small group of very friendly people who are prepared to give a small amount of their time to help support the PTFA. Please consider if you are able to get involved and send us an email : clystvaleptfa@gmail.com and we can add you to our WhatsApp group so you can hear what's happening and how you could get involved. We won't hold you to a big commitment so give it a try!

We also appreciate that this won't perhaps be the right time for everyone to be active within the PTFA but we hope you can support us going forward at events - please come to events and say hi, buy that cup of tea and slice of cake or donate something if the call goes out to you! It will all help!

Thank you

Clyst Vale PTFA Team!

Co-Chairs: Emma Spiller and Rachel Whitmarsh

Treasurer: Sri Yedidi

Secretary: Bookie Fakiyesi

Spring Term Dates

4 April—Last day of Spring term

(Weds 23rd April—First day of Summer term)

Attendance, Absence and Requests for Absence

Reporting an Absence

Parents are expected to inform us of their child's absence before 9.00 a.m. on each day of absence providing the reason for absence. If the absence continues beyond the first day, please contact the College on each subsequent day of absence, too. To comply with safeguarding obligations, we cannot simply assume a student's sickness absence is ongoing; we need to be certain that the reason for absence is due to continuing illness. If you do not notify the College, then we will make contact with you to identify the reason for absence. This is important as it helps to reduce unauthorised absences and truancy. In addition, the College may ask you to provide medical proof if your child is absent from College due to illness.

Lateness

The school day (first registration session) starts at 8.50 am, all students are expected to be in their classroom at this time.

Medical Appointments

We encourage students to maximise their levels of attendance; research indicates a direct link between attendance and examination performance. The timing of many medical appointments means that often students can attend school first and return afterwards. By doing so, students minimise missed learning whilst keeping their attendance levels as high as possible. We ask that parents/carers send their child into school for morning registration, even when a medical appointment takes place in the middle of the morning. Similarly, appointments scheduled for the afternoon should, where possible, be arranged after Period 4 - during lunchtime. Students are encouraged to return to school after a lunchtime appointment if they can.

Please give the school as much notice as possible, at least two weeks' notice is useful.

If the appointment requires the pupil to leave during the day, they must be signed out by an adult listed on the student's record at the main reception.

Please follow this process if your child is going to be absent from school:

For Years 7 – 11 Absences

Sharon Leaman/Cath Prunty
(Attendance Officers)

Direct line: 01392 463911

Email: studentabsence@clystvale.org

Could you be the next South West Junior Chef of the Year?

The search is on to find the region's top young cooks!

To enter, cooks aged 11-16 are simply asked to send us their recipe for a main course dish to serve two, using principally locally-produced ingredients.

Selected entrants will be invited to prepare their dish (in 90 minutes) for our judges in their own county initially, and each of the county winners will then compete at the South West final in October.

To help finalists to prepare for the South West final, they will receive advice and mentoring from one of our judges, enabling them to learn new skills and experience life in a working kitchen.

Lexie - South West and Gloucestershire Junior Chef of the Year 2024

Lexie's winning dish in 2024

Pan-seared duck breast with a red wine jus, pomme purée, honey carrots, garlic tenderstem broccoli, beetroot purée and blackberries

South West Junior Chef is sponsored by:  Michael Caines

Devon county final
Tuesday 24th June
Exeter College, Exeter 3.30pm

Judges:

Mark Dodson
Chef Proprietor, The Masons Arms, Knowstone

Scott Paton
Head Chef, Àclèaf, Boringdon Hall, Plympton

Matthew Pickett
Head of Hospitality, Exeter College

Further details are available at
www.southwestchef.co.uk/the-competition/junior-chef
where you will also find our entry form.

Entry closing date: Thursday 22nd May 2025

The South West Junior Chef final will be held at Exeter College, Devon, on a Saturday in October
Competitors must be aged 11-16 and still at school in year 11 or below on the date of the South West final

Thanks to our partnership with Springboard FutureChef, our South West finalists will be invited to take part in the FutureChef regional final to compete for a place in the national final

For more information and to submit your entry visit:
